Filing out the Notice of Appeal Form—Appeal Information

1. When filing a new appeal, provide your name (and that of the business which you represent, if applicable), address, telephone number, and an email address.
2. (a) You must specify on the Notice of Appeal form the action of the Department that you seek to have the Board review, for example, the permit, determination, or other act.
(b) If you have received written notification of an action of the Department, you must attach a copy of the action to the Notice of Appeal (for example, the letter, order, or permit that you are appealing).
(c) You should also identify the Department official that took the action and the location (the municipality and county) of the operation or activity that is the subject of the action.
(d) Additionally, you must describe when and how you were notified of the Department's action.

3. When describing your objections to the Department's action, you must do so in separate, numbered paragraphs for each objection. The objections must be specific, and may be factual or legal.

Rather than use the space on the Notice of Appeal form, you may type your objections on separate paper if you require more space. Note that if you fail to state an objection to the action in your Notice of Appeal, you may be barred from raising that objection later.

4. Finally, you must specify on the Notice of Appeal form any related appeal already pending before the Board of which you are aware.

Filling out the Notice of Appeal Form—Proof of Service

You must provide proof of service of the Notice of Appeal to the agency taking the action (typically the Department of Environmental Protection), as well as certain other individuals that may be affected by the appeal.

This means that, in addition to filing the Notice of Appeal with the Board, a copy of the Notice of Appeal must be delivered to each the following:

- (2) The officer of the Department of Environmental Protection (or other agency) that took the action being challenged. If you do not know the correct address for the agency office involved in the appeal, you should contact that agency directly, or you may contact the Secretary to the Environmental Hearing Board to obtain the appropriate address.
- (3) If you are appealing an action by the Department that involves someone else (for example, if you want to appeal a permit issued to another person or business), you must also send that person or business a copy of your Notice of Appeal. This is required by the Environmental Hearing Board's rules at 25 Pa. Code § 1021.51(g)-(h). Please see the Proof of Service page of the Notice of Appeal form for more details.

Note: For Attorneys who file an appeal electronically, only the party listed in (3) above must be served (if applicable). Electronically filed Notices of Appeal are automatically served on the Department's Office of Chief Counsel. There is no need to independently serve the Department.

A check shall be made payable to the *Commonwealth of Pennsylvania*; a bond shall be in favor of the Board, and these shall be sent to the following address:
